Shiva with brown canvas micarta
SV-BNM
Limited Availability

The Shiva™ is an original Al Mar design and is the first tactical fixed blade we've ever made with a laminated VG-10 stainless steel blade. Laminating the VG-10 between two layers of 400 series stainless steel increases the lateral strength of the blade by upwards of 30% and does so without increasing the weight or bulk. The Shiva™ has a beautiful tapered tang, contoured, polished black Micarta scales or NEW for 2010 brown canvas Micarta scales, satin stainless guard and a full grain traditional black leather sheath. It is the finest quality tactical fixed blade we've ever made.

Al Mar SERE™ Knives
SERE™
Survival-Evasion-Resistance-Escape

Our classic SERE™ design in a fixed blade version, the SERE Operator™ features S30V steel with a full-length perimeter tang for maximum strength. The SERE Operator™ has a synthetic sheath system designed for ambidextrous carry in vertical, horizontal or diagonal modes. It can be customized to be attached on a belt, pack or load-bearing equipment – or just about anywhere you can think of - even inside the waist for maximum concealability. The system's extender mounting plate can be easily drilled to allow the user full freedom to customize their attachment point(s). The SERE Operator™ is supplied with the sheath, attachment clip, secondary rubber retainer and extender mounting plate and is one of the most versatile sheath systems available.

The SERE and Mini SERE are world renowned as two of the strongest tactical folders in existence. Originally designed by Al Mar and Colonel Nick Rowe in the early 1980's for the U.S. Army's SERE school, today's updated models are stronger, lighter and the most precision versions we've ever made. Available in satin finished VG-10 (S2K) or matte black with our new ceramic coating – the most corrosion and scratch resistant finish we've found. The SERE and Mini SERE feature pillar construction, flow through design, dual thumbstuds and our reversible Deep Pocket Clip for discrete carry and deliver the kind of performance you need in the real world.

The Shrike™ has our heavy duty liner lock system, pillar construction and flow through design just like our SERE 2000™ and Nomad for maximum performance. Designed by Kirk Rexroat, the Shrike's ergonomic design with its flat ground trailing point blade is as versatile as it is comfortable and features dual thumbstuds and stainless steel pocket clip.

PAYARA™

The tip of the Payara is the nexus of three different grinds, creating a dynamic blade shape that provides superior penetration and cutting power.

Available in June 2008
AM-PA2

The Payara rides deeply in the pocket, tip-down, thanks to a black stainless steel pocket clip.

The Payara™ is an aggressive design for the serious outdoorsman, named after the elusive and vicious sabre-toothed fish found in South American rivers that feeds on Piranha by impaling them on fangs up to six inches in length! Building on the proven Al Mar liner lock system, pillar construction, and flow through design, the Payara adds an aggressive new blade for maximum cutting power and penetration. Dual thumbstuds and stainless steel clip complete the package.

OUR LIMITED LIFETIME WARRANTY*

All new, "Al Mar" models manufactured since January 1998 carry our limited lifetime warranty. This warranty covers materials and workmanship for the life of the knife. This warranty is to the original owner of the knife only. Al Mar Knives will, at our option, repair or replace any knife covered by this warranty that we have determined to be defective. The owner must return the knife with a copy of the original bill of sale or other satisfactory proof of purchase that includes the date of purchase. This limited lifetime warranty specifically does not cover abuse, neglect, misuse or lack of maintenance. Broken blade tips are specifically not covered by our warranty. A broken tip is the most common form of abuse. Any modifications and/or disassembly will void this warranty. Only authorized Al Mar Knives personnel can make warranty determinations on our products. Please visit www.AlMarKnives.com for warranty repair return instructions.

**This warranty does not include automatic models, please visit www.AlMarKnives.com for more details.*
